The ultimate goal of the broader educational community is to prepare students for the challenging demands of a competitive global community.

**AHERA NOTIFICATION**

Under the Asbestos Hazard Emergency Response Act (AHERA of 1986, Covington Community School Corporation is required to annually notify all school building employees, building occupants or their legal guardians, of the availability and location of the Asbestos Management Plans and of any post-response action activities, including periodic reinspection and surveillance activities that are planned or in progress.

In the past year, the AHERA related activities conducted have been the Periodic Surveillance and the AHERA Mandated 3 year re-inspection to maintain current information on the condition of materials in our buildings. The 3 year re-inspection was conducted by ASTESCO, Inc. and independent firm. In the coming year the planned activities under the AHERA standard are routine maintenance of building materials and the AHERA Periodic Surveillance of all building materials. These are scheduled for June 2012 and December 2012. The AHERA Management Plans are available for public review at the Superintendent's Office during regular working hours. A reasonable charge will be made for requested copies of the Management Plan(s). Copies are available in the building offices.

**EQUAL EDUCATIONAL OPPORTUNITY**

Each individual should be given the opportunity to develop and achieve to the maximum extent possible, being limited only by individual differences. Therefore, the district will foster an educational environment that provides equal educational opportunity for all students. Educational programs and services will be designed to meet the varying needs of all students and will not discriminate against any individual for reasons of race, creed, color, sex, national origin, economic status, or handicap.

Information regarding closings and delays will be broadcast on local television, radio stations, and school messenger announcements.

**VISITORS**

All visitors to public schools in Indiana are required by law to report to the receptionist when they first arrive at the school. Students from other schools are not permitted to visit Covington High School students during the school day.

**ENTERING OR REMAINING IN THE SCHOOL BUILDING AFTER SCHOOL HOURS**

Unless a student has an extracurricular activity, detention, or scheduled meeting with a staff member or administrator after school, the student should leave the building by 3:15 p.m. Loitering is not permitted and students who do not have one of the above-mentioned justifications for being in the building will be told to leave. For evening activities, students are not to enter the building (including a gymnasium) until the teacher/coach in charge of the activity arrives. Students who enter a building other than during regular school hours without authorization may be charged with trespassing. Also, students who attend extracurricular events which are held inside the building are expected to participate in or watch those events. Students are not to be in the building on the night of any program except for the purpose of participating in or watching that program. Again, students who loiter in the building will be told to leave.

## HEALTH SERVICES

A school nurse is available throughout the day. In all but extreme cases, a classroom teacher or other school personnel should refer students to the nurse. Please contact our school nurse regarding any specific health concerns.

### **Student Sent Home (by the school Nurse) Due to Illness**

Occasionally a student's illness reaches a degree where the Nurse requests the student to return home. Except for special circumstances, this is generally limited to those students either vomiting or running a fever. Leaving school, because the nurse sent you home, is **NOT COUNTED TOWARD THE 9-DAY/CLASS PERIOD LIMIT**.

### **Going Home Due to Illness (NOT being sent home by the school Nurse)**

Students who become ill and request to go home must first report to the Nurse's Office; receive parent permission; and sign out in the Office. Students will not be allowed to leave without parent permission, regardless of age. Leaving school due to illness, verified by parent is **COUNTED TOWARD THE 9-DAY/CLASS PERIOD LIMIT**.

## MEDICATION PROCEDURES

If students require the taking of medication while at school, the following guidelines must be observed (1) The medication must be in a prescribed bottle from the doctor or pharmacist. (2) The bottle must be labeled with the child's name and correct dosages. (3) The prescription must be kept in the nurse's office. (4) The school nurse, administrators, or their designees will supervise the taking of the medicine. (5) A note from the parent must accompany the prescription stating the reason for the medication.

## FOOD SERVICE

The Type-A Regular lunch cost will be posted and advertised at the beginning of the school year. Ala Carte is still available. Both regular lunch and ala carte are available on both serving lines. Each student is issued a lunch ID at the beginning of school. Students deposit money in their account and enter the ID each day to purchase their lunch.

## TEXTBOOK RENTAL

Covington High School purchases textbooks and workbooks to provide each student with instructional materials that are appropriate to each classroom activity. These are made available to students in exchange for a rental fee based on book cost, but workbooks and other supplies are consumable items to students. It is your responsibility to pay these charges, care for the materials, and return them in good condition. Fines will be assessed to students who damage their textbooks. Students who destroy or lose their textbooks must buy new ones.

## WRITING CHECKS TO CHS

Covington High School will accept checks to cover the cost of textbooks, fees, consumable items, lunches, etc. Checks must be written for the exact amount of the purchase. Students may not write a check and receive cash in return.

## TELEPHONES

A courtesy phone is available in the high school office during school hours. Please be courteous of others and limit the length of your call.

## LOST AND FOUND

All articles found in or near the high school should be turned in to the main office. Lost articles may be claimed from this office, but they will be disposed of if not claimed within a reasonable length of time. Students should report any loss to the main office as soon as it is discovered. Each student should print in ink his/her name on tablets, gym clothes, tennis shoes, and books which are owned by the student. Students who drive to school should lock their cars. Avoid carrying large sums of money or things of great value to school. If a student must bring something of great value, bring it to the office for safe keeping during the school day. Ask for a receipt for money or the item kept in the office and one will be provided.

## **LOCKERS**

The locker is to be used only by the person to whom it is assigned. Students are to use only the locker assigned to them. Sharing lockers is not permitted. **Students are advised not to place money or items of high value in lockers. The school will not be responsible for lost or stolen items.**

Lockers are school property and may be opened by the principal, assistant principal, or their designees at any time. Nothing is to be placed inside or outside a locker which may damage or deface it. Restitution must be made by the students for damaged lockers and lost locks (PE). The student's use of the locker does not diminish the school corporation's ownership or control of the locker.

The school corporation retains the right to inspect the locker and its contents to insure the locker is being used in accordance with its intended purpose. **(1)** A student who uses a locker that is the property of a school corporation is presumed to have no expectation of privacy in that locker or the locker's contents. **(2)** A law enforcement agency having jurisdiction over the geographic area having a school facility containing a student's locker may: a. at the request of the school principal; and b. in accordance with rules of the governing body of the school corporation; assist a school administrator in searching a student's locker and the locker's contents.

## **FIRE AND DISASTER DRILLS**

Fire drills will be held once per month during the school year. Disaster drills will be scheduled at least twice per semester. Signs are posted in each room with instructions telling where to report for each type of drill. Please be quiet as you exit the room. This is especially important should an exit or area be blocked, resulting in verbal instructions being needed to change the assigned exit or place of safety posted in each room. It is imperative that you follow these instructions and proceed in an orderly manner.

## **WORK PERMITS**

Work permits are issued through the guidance office. Work permits may be denied or revoked based on academics and/or attendance.

## **PUBLICATION OF STUDENT INFORMATION**

Any parent or guardian wanting the name of his/her child excluded from any listing of honor rolls, athletic awards, or other form of school activities' participation is asked to notify the Principal's Office in writing by the first week of school.

## **ENROLLMENT**

Students at Covington High School are expected to be in attendance on the first day of school. Those who live in the district have five days to enroll after school starts but will not be allowed to make up their work for credit. If extenuating circumstances prevail, the administration reserves the right to decide on individual cases.

## **WITHDRAWAL FROM SCHOOL**

Each student shall attend school as defined by the compulsory attendance law of the State of Indiana. School attendance is compulsory until the student either graduates or reaches age 18. A student may withdraw from school before graduation but only after attending an exit interview with his/her parent or guardian and the principal or his designee. The parent/guardian must consent in writing to the withdrawal.

## **SECTION II - STUDENT CONDUCT**

### **GENERAL BEHAVIOR**

The students of Covington High School are expected to behave in an appropriate manner while at school or any school-sponsored activity. At no time should an individual student or group of students' behavior impose any limitations on, or detract from, any school related activity or event.

It is expected students will follow common rules of courtesy. Violations of rules of common courtesy include the failure to follow staff members' directions, talking back to a staff member, and the use of abusive or obscene language directed toward a staff member.

It is essential to remember that the purpose of Covington High School is to provide an optimum environment where learning can take place. Any behavior that is deemed inappropriate or interferes with the educational process will not be tolerated and will be subject to disciplinary action.

### **STATE LAWS**

Students are responsible for their conduct under all local, state, and federal laws. The fact that the law may not be mentioned in this handbook does not excuse the student from the consequences of his actions under such law. All local, state, and federal laws are to be followed at all times.

### **SEXUAL HARASSMENT**

The School Corporation is committed to a policy that sexual harassment of school personnel and/or students by agents of employees of the Covington Schools is unacceptable. Any employee or student who believes he/she is a victim of sexual harassment should: (1) Make it clear to the harasser that the conduct is unwelcome; and (2) Report the incident (s) to the building principal and/or Dean of Students for further investigation and/or action.

### **ANTI-HAZING/HARASSMENT**

Hazing activities of any type are inconsistent with the educational process. All such activities are prohibited at any time in school facilities, on school property, and at any corporation-sponsored event.

Hazing is defined for purposes of this policy as performing any act, or coercing another person to perform any act of initiation into any class, group, or organization that causes or creates a risk (mental, emotional, or physical harm). Permission, consent, or assumption of risk by an individual subjected to hazing shall not exempt this policy.

All employees of this Corporation should be particularly alert to possible situations, circumstances, or events which might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed of the prohibitions contained in this policy and shall be ordered to stop such behavior. The students will be disciplined in accordance to the student discipline guidelines of the student handbook. All hazing incidents shall be reported immediately to the Superintendent.

### **DISCIPLINE GUIDELINES**

The purpose of discipline is to maintain the best possible learning atmosphere. Your responsibility is to get an education. A student who is guilty of a behavior infraction may be referred to the office. Each case will be examined on its own merit, and a discipline assignment appropriate with the nature of the infraction will be given. In all cases the goal of discipline will be to bring about a change in the student's behavior rather than to punish. We will strive to remain consistent and fair when dealing with discipline. We do believe that it is in the best interest of both the student and the school to maintain firm discipline.

The following class list of violations is provided to aid in the communication of our expectations and obligations to the student body to insure a proper school atmosphere. It should be understood that discipline is a continual process with the whole year's record of the student being used to determine the necessary penalty for each violation. Repeat offenders will have more severe penalties and could be moved to the next class of punishment. Therefore, a student who has three violations in Class 1 will be moved to Class 2 and considered to be a repeat offender on the second level in this class.

Each student who is subject to disciplinary action by the school administration will be dealt with according to this philosophy. The unique circumstances of each individual's case will be considered before a decision regarding

punishment is made. Similar misbehaviors will normally receive similar penalties depending on the student's whole record. This list is not intended to be the "last word" concerning penalties. The merits of each case require flexibility; however, this list is provided to demonstrate a conscientious attempt to deal consistently and fairly with each individual. Misbehaviors not listed here will also be handled with this stated intent in mind. In cases involving expulsion, Public Law 162 of Student Due Process will be followed. (See Section VII)

## **DRESS CODE & APPEARANCE**

The Covington Community School Corporation feels that high levels of self-esteem and respect are important to the educational process. It is important to the CCHS staff for our students to dress in a manner as to reflect positively and respectfully on themselves, their families, their school, and their community. Therefore, we encourage students to dress in a safe, clean, and neat manner. While the school recognizes that styles of dress come and go, certain standards of reasonable dress should be expected. Students are expected to wear their clothing and manage their appearance in a manner *consistent with the guidelines*. No policy will address all situations, but the following guidelines are to be followed:

1. Students should not wear clothing or hairstyles that can be hazardous or distracting to them or others in their school activities such as shop, lab work, physical education, and art. Grooming and dress which prevent students from doing their best work because of blocked vision or restricted movement are discouraged, as are dress styles that create a disruption of teaching or of classroom order. All footwear must have solid soles.
2. Jewelry will not be worn in physical education class.
3. No torn or tattered clothing or clothing with excessive frays is to be worn during school hours. This applies all pants, shorts, etc. in the area above the knee. Clothing used as undergarments are NOT acceptable as cover-ups. Patches are acceptable coverings.
4. Tube-tops, halter-tops, tank-tops, cut-off shirts, or any shirt that exposes excessive cleavage, undergarments (i.e. bra straps), or bare shoulders should not be worn. Shirts must have at least 2.5 inches (approx. 3 finger widths) width strap in the area between the neck and the arms.
5. The mid-drift should not be visible or exposed under any garment.
6. Visible body piercings are limited to pierced ears and/or a stud in the side of the nostril. Hoops/rings are not allowed in the nose, lip, eyebrow, or any other visible body part other than the ear. Clear spacers or inserts are allowed, unless size is abused and determined as an educational distraction.
7. Students must wear shoes.

8. Students are prohibited from wearing, . . . “messages on clothing, jewelry, and personal belongings that relate to drugs, alcohol, tobacco, weapons, violence, sex, vulgarity, or that reflect adversely upon persons because of their race or ethnic group.”
9. Clothing with inappropriate language will not be tolerated
10. Fishnet shirts or other types of mesh or "see through" shirts are to be worn only if an undershirt is also worn underneath them.
11. No extremely short or revealing attire should be worn. Tight fitting pants (i.e. jeggings, yoga pants, leggings, or stretch pants) may only be worn if buttocks is completely covered with appropriate shirt. Shirt coverage must be across the front and the back.
12. No hats or hoods to be worn on heads.
13. All shorts (including running/cycling shorts) must be fingertip length when student is standing straight up. No spandex shorts will be permitted.
14. Coats will not be worn in the classrooms unless the teacher grants special permission.
15. Wallet chains or other chains hooked to clothing are not permitted.
16. Pants, shorts, and skirts are to be worn at the waistline.
17. Inappropriate display of Confederate flag

If students wear the types of clothing named in the above paragraph to school, or if they wear other types of clothing or dress in such a fashion as to disrupt the educational process, then such students will be sent home to change into appropriate clothing. Such students will be considered unexcused for the time that it takes them to go home, change clothes, and return to school. Students who repeatedly violate the dress code will be subject to disciplinary action.

**Final determination of appropriate dress lies with the school administration.**

## ELECTRONIC DEVICES

Radios, Recorders, IPODS, IPADS, Electronic Music Devices and/or Electronic Games are not permitted during class time, except those approved by a teacher or administrator or as required by a student’s IEP. Such items are a disruption to the educational process. Often these items may be lost or damaged. If these items are found at school they will be taken by the Principal, Dean of Students, or Assistant Principal and not returned until the end of the day.

### Cell Phones / Personal Communication Devices

Students may use personal communication devices (PCDs)/Cell phones...

1. Before and after school
2. During their lunch break
3. In between classes (Passing Periods)

...as long as they do not create a distraction, disruption or otherwise interfere with the educational environment (as determined by school personnel). Students **MAY NOT** use a PCD/Cell phone while in locker room or bathroom. Any cell phone use deemed inappropriate or distracting by any means by any school personnel may result in confiscation of the device.

**Cell phones are not to be seen, heard, or used by students during class time/instructional time for any reason.**

Any cell phone seen, heard, carried, or used in any manner other than previously mentioned in will be confiscated (including SIM card and battery) by an adult, turned into the building administrator, and returned in the manner described below. Failure to forfeit the cell phone (including SIM card and battery) to an adult will be an act of insubordination and will result in an automatic suspension in addition to the consequence as prescribed according to the following numbered offense.

- **1st offense:** 1-hour detention
- **2nd offense:** 3-hour detention
- **3rd offense:** 3-hour detention and cell phone ban while at school. Length of ban will be determined by the school administration on a case-by-case basis.
- **Multiple Thereafter:** In-school detention, possible OSS, extended cell phone ban from school

Any student who allows another student to use his/her cell phone will be subjected to the same consequences as the person using the phone.

The reason for a cell phone policy is to deter classroom disruptions, cheating, cyber bullying, “sexting”, and other acts that violate child exploitation and child pornography laws.

Cell phones will be searched if administrators have reasonable suspicion that a student has violated a school rule or the law. Law enforcement will be contacted if the student violates a law such as but not limited to, harassment, bullying, or child pornography.

### **FIELD TRIPS**

Students that are participating in school-sponsored field trips will be held accountable for all rules found in the student handbook. A signed permission slip must be turned into the office prior to the student leaving for the field trip. **Students with 6 or more unexcused absences or students failing one or more classes may be excluded from attending the field trips.**

### **CHEATING/PLAGIARISM POLICY**

Cheating/Plagiarism will not be tolerated at Covington High School. Cheating includes copying homework, assignments, and assigned class work, as well as copying or using notes on exams. Students who share required graded assignments, exams, or tests, will receive the following consequences listed below.

### **LEAVING SCHOOL GROUND**

Permission to leave school at any time during the school day must be given by the Principal, Dean of Students, or the Assistant Principal and must be approved by the Parent (s) or guardian (s). Students who receive permission to leave school during the school day must sign out in the High School Office before leaving, and likewise sign in upon their return if they return while that same school day is in session. Medical, dental, or legal appointments for students which must take place during the regular school day will require either a parent note or parent call-in prior to the appointment in order for the student to be released by the Principal or the Assistant Principal. Students who leave school without following these procedures will be considered truant. **A student tardy to first class is required to sign in at the main office at the secretary’s desk.**

### **STUDENT DRIVING/PARKING**

Driving to and from school is a privilege extended to students. Drivers need to be fully aware that many students are walking to and from school each day; therefore, all safety and defensive driving practices should be utilized. Yield the right of way to students walking and to our buses as they arrive and depart the property. If a student is found to be driving recklessly, the privilege of driving to school may be revoked or suspended. Student drivers should adhere to the following guidelines:

1. Be safety conscientious at all times.
2. Each driver must possess a valid Driver’s License

**Areas not available for student parking include:**

2. Church parking lot
3. Middle School parking lot
4. Teacher lot outside of Door 1

**Failure to abide by the above regulations may result in loss of driving privileges and/or other disciplinary action including suspension or expulsion from school.**

## **DANCE DECORUM AND POLICIES**

Students need to be aware of certain procedures that take place before and during Covington High School dances, which includes prom:

- The sponsoring group and school administration will determine whether a dance will be open or closed. For open dances, guests must fill out a School Dance Guest Request Form ahead of time to gain approval from the school administration.
- Students must have an RDT (Random Drug Testing) form on file in the office to attend all school dances.
- Once students enter the dance, they will not be allowed to leave and re-enter the dance without special circumstance and administrative pre-approval.
- **All students and guests may be required to submit to a breathalyzer test at any school dance before, during, or after the event.**

The following rules will be enforced at all dances with regards to dance behavior. The rules apply to individual, partner, group or large circle dancing.

3. No lifting legs above the waist
4. Hands must be appropriately placed
5. All forms of inappropriate body contact are prohibited
6. No lying down or sitting on the dance floor
7. No removing of primary articles of clothing

The administration will use its discretion in determining what type of dancing is inappropriate and may dismiss students violating these rules from the dance.

## **SECTION III - DISCIPLINARY ACTIONS**

### **DEFINITIONS AND PROCEDURES**

**1-Hour Detention** - Additional time assigned at school, either before or after regular school hours, under supervision. Students who have detention time to serve are responsible for arranging their own transportation. The detention will be served on the day or days assigned by the principal or his designee. Detentions will be served from 3:05 p.m. to 4:00 p.m. Failure to serve an assigned detention will result in further disciplinary action.

**3-Hour Detention** - Its main purpose is to help the student realize the consequences of inappropriate behavior. A student can only be sent to a 3-hour detention by a member of the administration. He/she will remain there under the supervision of a certified staff member for three hours. The student should report to the office area promptly after school. 3-hour detention will last from 3:05 until 6:00 p.m. A restroom break will be given at 5:00 p.m. only.

1. Transportation will not be provided by the corporation.
2. It may be necessary for a parent conference during the session, and the parent will be notified prior to the detention period.
3. Failure to show for 3-hour detention will result in

- Out-of-School Suspension.
- Failure to follow the guidelines that govern Friday Evening School will result in an out of school suspension.

**In-School Detention** - Time will be spent, during regular school hours, in an assigned area with supervision. Work missed or its equivalent may be made up for full credit. The student's teachers will be notified of the suspension and the student will receive assignments for completion. The completed make-up work is due at the end of the day's suspension period. In-school detention may be assigned two times to a student during a semester. Each assignment could be for multiple days. The student is not to participate in any school activity or function on a day when the student has served an In-School Detention.

**Out-Of-School Suspension-** Disciplinary action whereby a student is separated from school attendance for a period of up to ten (10) days and which does not constitute an expulsion. The student is not to participate in any school activity or function during the time of this suspension. It is the responsibility of the student to obtain assignments from their teachers no later than the day they return to school. Students will be allowed to make up work or its equivalent for 1/2 credit, with the exception of all assessments which will be given upon return for full credit. If the work is obtained while on out of school suspension, the work is due the day the student returns from suspension. If the work is obtained the day the student returns from suspension, the work is due the next school day.

Students may be suspended or expelled for any act which, if committed by an adult, would be an offense, or crime, including any felony, misdemeanor or infraction.

Indiana Public Law 121-1989, went into effect on July 1, 1989. This law prohibits the Indiana Bureau of Motor Vehicles from issuing a driver's license or permit to a student under 18 who is under:

1. at least a second suspension from school for the school year;
2. an expulsion from school; or
3. an exclusion from school due to misconduct

The Bureau of Motor Vehicles is also required to invalidate a student's license or permit for the same reasons. A student whose license or permit has been denied or invalidated for the above reasons will be eligible for a license or permit or have a license or permit revalidated upon the earliest of one of the following:

1. the student turns 18;
2. the end of the semester if the student is reinstated in school; or
3. the suspension, expulsion, or exclusion is reversed after a hearing.

**Expulsion:** Student is suspended by the principal for up to ten (10) days and a Due Process hearing is requested by the principal. The student may not participate in or attend any school activity during the time of this suspension. Public Law 162 is followed.

### **Student Assistance Policy**

## **ALCOHOL AND DRUGS**

### **1.1 Self-referral**

Except for violations reported under section 1.4, a student who self refers to a Student Assistance Program (SAP) and who is making satisfactory progress in following his/her recommendations will not be liable to suspension,

extracurricular ineligibility, or denied attendance to any school sponsored activity, or other disciplinary action for behavior that occurs prior to self-referral unless:

1. The student discloses conduct already reported under section 1.4 as a witnessed violation, OR
2. The student fails to follow an SAP Coordinator's recommendations or to comply with an SAP policy guidelines.

### **1.2 Compliance Evaluations**

Evaluations concerning agreed upon compliance with an SAP policy guidelines will be made by the building SAP Coordinator in consultation with the building administrator, support group facilitators, and other members of the Core Team.

### **1.3 Voluntary Participation**

Participation in a Student Assistance Program is voluntary. At all times it is the prerogative of the student and/or parent(s)/guardian(s) to accept or reject referral to the SAP Coordinator or to community-based services.

1. Regardless of whether a student accepts or rejects assistance it remains his/her responsibility to behave properly and to improve grades.
2. If a student accepts treatment for chemical dependency, that fact will be regarded as it would for any other illness with respect to the student's rights, benefits, and privileges.
3. Any student judged by the building administrator to present a risk of imminent danger to himself/herself or others may be removed from the school pending the results of a professional evaluation.
4. The Covington Community School Corporation regards chemical dependency to be a chronic progressive illness that is fatal if left untreated. Consequently, refusal by parents to seek treatment for a chemically dependent child will result in a report to the Department of Welfare for suspected child abuse/neglect.

### **1.4 Violations**

A violation would be defined as (but not inclusive) as a student possessing, providing to another person, or being under the influence of any substance which is or contains alcohol, marijuana, a narcotic, a depressant, or a hallucinogen, whether prescription or sold over the counter without a prescription, or any substance represented by the provider to be any of the listed substances on the school grounds at any time or at any school sponsored activity at any location- including on the school bus.

#### **A. FIRST OFFENSE CONSEQUENCES:**

Parents and law enforcement officials will be contacted immediately upon verification of the violation. The student will be suspended for 10 days, recommended for expulsion, and ineligible for participation in all extracurricular activities, driving privileges and athletics for a period of one calendar year from the date of offense. The building administrator may table the recommendation for expulsion, reduce the loss of extracurricular eligibility, and reduce the loss of the right to attend any school-sponsored activity if the following criteria are met:

1. During the 10 day period of suspension from school, the student and/or parent(s)/guardian(s) shall contact the Student Assistance Program (SAP) Coordinator and make necessary arrangements for a preliminary assessment of chemical use and to make other arrangements that might be part of the recommendations of the SAP Coordinator.
2. Should the student and/or parent(s)/guardian(s) fail to make the required contact with the Student Assistance Program Coordinator during the 10 day period of suspension from school, the student will be subject to due process related to expulsion.
3. The student and parent(s)/guardian(s) will sign a conditional agreement to defer expulsion proceedings, and will satisfactorily complete all of the terms and conditions provided in the agreement. This SAP contract will contain a "Waiver of Rights" requiring parental and student signatures resulting in forfeiture of due process procedures should the student violate the terms and conditions of the SAP contract.
4. Failure to comply with the SAP Coordinator's recommendations will result in the student being subject to expulsion after due process.

#### **B. SECOND OFFENSE CONSEQUENCES:**

Parents and law enforcement officials will be contacted immediately upon verification of the violation. The building administrator will make a recommendation for expulsion for the remainder of the school year to the superintendent. If the request for expulsion takes place during the second semester of a school year, the expulsion, if imposed, shall

remain in effect for summer school and for the first semester of the following school year, subject to the provisions of IC 20-8.1-5-11 (f).

### **1.5 Life Threatening Situations**

In the event of a life threatening situation where a student exhibits evidence of acute intoxication, incapacitation, or a drug overdose, in school sponsored event, his/her parents and the police will be immediately notified, and the student will be transported to the local hospital by an appropriate emergency vehicle. Following his/her return to school, Section 1.4A. of this policy will be implemented.

1. Any student who exhibits a definite and repeated pattern of unacceptable school performance that does not respond to usual and customary attempts to correct it.
2. Any student exhibiting signs, symptoms, or indications of an alcohol or drug-related problem.

(REFERRAL OF A STUDENT TO THE STUDENT ASSISTANCE PROGRAM BY ITSELF DOES NOT CONSTITUTE AN ALLEGATION THAT A STUDENT HAS AN ALCOHOL/DRUG-RELATED PROBLEM.)

## **COVINGTON HIGH SCHOOL SUSPENSION AND EXPULSION POLICY**

Recognizing that the behavior of some students may be so disruptive that it interferes with school purposes or educational functions of the school corporation, the administration may find it necessary to remove a student from the school. In this event and in accordance with the provisions of State Law, the Board of School Trustees authorizes Principals and staff members to take the following actions:

1. **REMOVAL FROM CLASS OR ACTIVITY - TEACHER:** 1) A high school teacher will have the right to remove a student from his/her class or activity for a period of 1 school day if the student is assigned regular or additional work to be completed in another school setting.
2. **SUSPENSION FROM SCHOOL - PRINCIPAL:** A school principal, dean of students, or assistant may deny a student the right to attend school or take part in any school function for a period of up to 10 school days.
3. **EXPULSION:** In accordance with the due process procedures a student may be expelled from school for a period no longer than the remainder of the current semester plus the following semester, with the exception of a violation of rule 13 listed under the grounds for Suspension and Expulsion in this policy.

### **GROUND FORS SUSPENSION OR EXPULSION**

Grounds for suspension or expulsion are student misconduct or substantial disobedience. The following includes examples of student misconduct or substantial disobedience. Examples can be found in Class I, II, III, IV Violations. In addition to the grounds listed above a student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the above criteria which takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions. An out of school suspension may require the student to go through the Fountain Circuit Court procedure, which requires the student and parent/guardian to be present at a scheduled court date.

## **OUT-OF-SCHOOL SUSPENSION PROCEDURES**

When a principal (or designee) determines that a student should be suspended, the following procedures will be followed:

1. A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:
  - a. a written or oral statement of the charges.
  - b. if the student denies the charges, a summary of the evidence against the student will be presented and,
  - c. the student will be provided an opportunity to explain his or her conduct.
2. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
3. Following the suspension, the parents or guardians of suspended students will be notified in writing. The notification will include the dates of the suspension, describe the student's misconduct, and the action taken by the principal.

### ***COURT ASSISTED OUT-OF-SCHOOL SUSPENSION***

The Covington Community School Corporation has an established out of school suspension program in conjunction with the court system, prosecutor's office, and the probation department. The program was established in an effort to reduce the frequency of suspensions, establish greater accountability for student conduct, and create a program in which suspended students remain in a school setting.

Upon being suspended from school attendance; in accordance with the procedures listed above, the student may be required to appear before the Fountain County Circuit Court Judge on the next available school day. This meeting shall take place on the second floor of the Fountain County Courthouse. The parent(s) or guardian(s) are required to attend with the student and to present themselves to the Bailiff of the Fountain County Circuit Court by 8:00am to determine the time and place of the appearance before the Judge. Failure to appear could result in a pick up order and/or summonses to the parents

## **EXPULSION PROCEDURES**

When a principal recommends to the superintendent that a student be expelled from school, the following procedures will be followed.

1. The superintendent may conduct an expulsion meeting, or may appoint one of the following persons to conduct the expulsion meeting:
  - a. legal counsel
  - b. a member of the administrative staff who did not expel the student and was not involved in the events giving rise to the expulsion.
2. An expulsion will not take place until the student and the student's parents are asked to appear at an expulsion meeting conducted by the superintendent or the person designated above. Failure by a student or a student's parents to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion or to appeal it to the school board.
3. The request to appear at the expulsion meeting will be in writing, delivered by certified mail or by personal delivery, and contain the reasons for the expulsion and the date, time, place, and purpose of the meeting.
4. At the expulsion meeting, the principal (or designee), will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student, and to present evidence to support the student's position.
5. If an expulsion meeting is held, the person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student and the student's parent.

The parent has the right to appeal the decision of the person conducting the expulsion meeting to the school board within 10 days of the receipt of notice of the action taken. The student or parent appeal to the school board votes not

to hear the appeal. If the board hears the appeal, it will consider the written summary of the expulsion meeting and the arguments of both the school administration and the student and/or the student's parent. The board will then take any action deemed appropriate.

## SECTION V - DRUG TESTING POLICY/PROCEDURES

### DRUG TESTING POLICY

The Board of School Trustees of the Covington Community School Corporation recognizes the health risks and dangers associated with the use of unlawful drugs and/or alcohol. The abuse of tobacco, alcohol, and other drugs in the school is a threat to the safety and health of students, faculty, and staff. It jeopardizes the efficiency and the quality of our educational programs. The risks associated with drug abuse include impaired judgement, deterioration of the organs of the body, and addiction. These are conditions that substantially inhibit students from performing to their fullest natural ability. The Board of School Trustees encourages all students to participate in school athletics and allows students to drive to school but believes the opportunity for such participation is not an absolute right, it is a privilege. The primary purpose of this policy is to educate and protect our students.

The Board of School Trustees has approved random drug testing for the following populations in grades 6-12.

1. student involved in school-sponsored athletics;
2. extra curricular activities;
3. student registered drivers
4. students, with parent/guardian consent, who volunteer to participate in the Drug Testing Program

Students who are exhibiting behaviors or are involved in activities, which give school authorities just cause to suspect the student is under the influence of a controlled substance or alcohol may be tested at the discretion of the building principal.

Each student who participates in school sponsored athletics, extracurricular activities, or drives to school must sign the online consent form upon registration for school. Failure to comply will result in non-participation in athletics, extracurricular activities, and/or loss of driving privileges to school. All students who are part of the volunteer drug testing during the current school year will automatically be in the drug-testing pool during the next school year.

Those parents who **wish** to withdraw their students from the volunteer drug-testing program need to sign a release form.

### DRUG TESTING PROCEDURE

#### Consent Form

All students shall be provided with an online consent form, which must be signed by the student and be a custodial parent or guardian before such student shall be eligible to participate in any school sponsored athletics, extra curricular activities, or drive a vehicle on school grounds. Students who are 18 years of age or older may be included in the testing program at their own request.

#### Selection

Students to be tested will be selected randomly, except for those for whom there is probable cause to believe that there is a controlled substance or alcohol in their system. Each student will be assigned a number. A cross-reference list of names and numbers will be maintained by each school. A certified system of random selection will be employed by the school administrator to determine which students will be tested at a particular time.

#### Urine Testing Procedure

Upon being selected for testing, each student will be required to provide a sample of his or her urine in a verifiable manner.

1. The collection of the sample shall not be physically observed.
2. The student's number and the date shall be written on the sample bottle.
3. The student and school nurse or school designee shall date and initial the cross-reference list establishing that the sample container has the proper identification number.
4. The school nurse or school designee shall then be responsible for turning over the samples to the testing laboratory.

#### Drugs Tested

Testing shall be done by a certified laboratory through urinalysis. The Covington Community School Corporation will pay for testing that it requests. Each sample will be tested for tobacco, alcohol, and those drugs, which may

include all drugs listed as controlled substances under the laws of the State of Indiana. If over-the-counter or prescription medications contribute to “positive” test result, then the student should inform the school nurse or administrator of this fact at the time the urine sample is taken. The student will be given 24 hours to produce the prescription in order to be verified by the school nurse.

### **Laboratory Report**

The laboratory will report the results of each test to the administrator by the numbers on each sample container. The test results shall be made known to the student, the student’s custodial parent (s), the school nurse, and school administrator. Results are deemed confidential.

### **Test Results**

Tests are “positive” if the student’s system shows any level of tobacco, alcohol, or other drug residue substances from drugs previously covered on page 1 of this policy. (Zero Tolerance) The school administrator, if the results are “positive” will so advise the student and the student’s custodial parent (s) or guardian (s).

The school administrator will explain the type of substance, which was found, and the health hazards involved. The student will then fall under the guidelines for positive tests through random and just-cause testing.

### **Retesting Option**

If the student or the student’s custodial parent (s) or guardian (s) desire, they may have a portion of the remaining urine sample re-analyzed by a school-approved laboratory. The School Corporation will provide a list of approved laboratories to the parent(s) or guardian(s). The student and/or the student’s custodial parent(s) or guardian(s) may choose any laboratory from the school-approved list and will be financially responsible for any retest under the provisions of this item. ## **COVINGTON SCHOOL CORPORATION DRUG SEARCH PROCEDURES**

The purpose of these procedures is to find out if there are illegal substances in Covington Middle/High Schools, and if so, to eliminate them from the premises for the safety of our students.

The following are the procedures for all searches of the buildings and parking lots to take place:

1. School Administrators may meet with the Fountain County Sheriff and/or his designee prior to a search to explain area to be searched and the procedures and rules to follow in case that an illegal substance is located on school property. The time and dates of the search will be set at this meeting. This information will not be given to any other school personnel.
2. On the days of the search:
  - a. A dog trained in locating illegal substances will be used to make the search.
  - b. The Sheriff or Deputy will bring the dog to the High/Middle School
  - c. All students will be notified by the intercom to go to their rooms and remain there until the building search is completed.
  - d. The dog will check all student lockers in both the upper and lower levels of the Middle/High Schools. The Principal or his designee will accompany the Sheriff on his search.
  - e. If the dog "hits" on a locker, the Principal or his designee will write down the locker number and locate the student of the locker.
  - f. After the dog completes the search of the lockers, the Principal will take the student to his/her locker for a search.
  - g. If an illegal substance is found, the student will be taken to the office and disciplinary procedure will be initiated in accordance to the rules of the student handbook.
  - h. Any illegal substance found will be turned over to the Sheriff or his designee and a receipt will be given to the school.
  - i. Upon completion of the building search, the dog will be taken to the school parking lots, where all vehicles will be searched. The Principal or his designee will accompany the officers and dog as they search.
  - j. If a student's vehicle is "hit" upon by the dog, that student will be called to the office and taken to his car by the Principal or his designee and the vehicle searched. If the student refuses to permit the search, the matter will be turned over to the local law enforcement agencies, and the individual referred to the Superintendent of Schools. If a search takes place and an illegal substance is found, the matter will be turned over to the Superintendent of Schools.

## **SECTION VI - STUDENT ATTENDANCE**

The Covington Community School Corporation has adopted an attendance policy that limits the number of days/class periods a student may be absent from school each semester. This policy places the responsibility for attending school upon the student and his/her parents.

All students are expected to attend school regularly and to be on time for class in order to benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility. A student, who is not regular in attendance, loses interest, tends to feel isolated, and drops out of school. The procedures we follow eliminate chronic absences, yet provide a manner in which a student may miss if there is a need – provided the school is notified.

## VACATIONS

Since the school calendar allows approximately four weeks of vacation time during the school year, other absences for vacations are strongly discouraged. In order to make up tests and classroom assignments because of a vacation, the student must make arrangements with the office one week prior to the vacation. Parents must provide a written request at this time for the student to present to the administration. After approval has been received from the office, the student should contact their teachers for assignments. The absence may be excused at the discretion of administration.

## CLASSIFICATION OF ABSENCES

Any absence from school will be classified as excused or unexcused. Any unexcused absence **will count** toward the allowable absences per semester. Any excused absence **will not** count toward the number of allowable absences per semester. The examples of each classification listed below are intended to eliminate confusion and provide clarification as to how an absence will be recorded in relation to the semester attendance policy.

All absences require parent or guardian notification on the day of the absence. When a student is absent the parent or guardian should call 793-2286 before noon on each day of absence. The school may call the parent (at home or work) to verify the student's absence.

### **Excused Absences -- Verification required**

1. Doctor's notes verifying visits/illness - **MUST BE TURNED IN WITHIN 2 DAYS OF RETURNING TO SCHOOL (DAY 1 IS FIRST DAY BACK)**
2. Being sent home by the school nurse due to illness. (See Health Services)
3. Family member funeral/visitation
4. Approved college visitations - Approved number of days for out of state visit must be given by administration prior to the trip.
5. Court related absences
6. Probation office appointments
7. Service to an election board or party on election day
8. Legislature page
9. Prearranged Principal approved

### **Unexcused Absences -- Limit to 9 per class per semester**

Examples include but are not limited to:

1. Truancy
2. Illness, not under physicians care
3. Absence due to parent call in (i.e. oversleeping, transportation issues, etc.)
4. Family vacations (See Vacation Policy)
5. Failure to provide verification for excused absences upon return to school.

### **Do Not Count as Absences**

1. Field Trip
2. Class/education - related activities during instructional time

## PROCEDURES FOR EXCESSIVE ABSENCES (Per Class Period)

*The following procedures will be followed by the CHS attendance officer or designee for the number of unexcused (countable) absences per semester:*

- **Day 5:** Student and parent is sent an email notification. A warning is given that once unexcused absences reach 7 and beyond, punitive measures will be taken.
- **Day 6:** Student and parent is sent a 2nd email notification. A 2nd warning is given once unexcused absences reach 7 and beyond, punitive measures will be taken. The dean of students will talk to student.
- **Day 7:** A discipline referral is entered assigning a 1-hour detention. Parent is notified via email and the student is contacted by the Dean of Students.

- **Day 8:** A 2nd discipline referral is entered assigning a 2nd 1-hour detention. A meeting with the parent will be scheduled.
- **Day 9 and beyond:** A discipline referral is entered assigning a 3-hour detention and Dean of Students notifies the prosecutor.
- **Upon day ten (10) of countable absences per semester the student may receive an “F” for the semester, thus losing credit.** If the student loses credit for the semester, he or she will still be required to attend school.

If a parent feels that special circumstances exist, they may be shared with the Attendance Board of Appeals (ABA). The ABA may allot additional days based on the circumstances of excessive absences such as hospitalization, restricted to home because of illness, and other special circumstances that require numerous consecutive days. The ABA will include the dean of students, assistant principal, director of guidance, school nurse and at least one of the student's teachers. The family may offer written documentation to explain the circumstances for excessive absences from school. The family may also invite anyone else with information relevant to their child's absence. The ABA may recommend continued enrollment with or without modification or restriction and/or expulsion for the remainder of the semester.

All attendance cases are analyzed on a case-by-case basis. Depending on the situation and circumstances of the attendance issue, alternative methods for correcting the violation of compulsory attendance rules may be used.

### **MAKE-UP WORK**

**Students who are absent from school are permitted to make up missing work according to the following formula: upon returning to school, students are entitled to at least the number of make-up days equal to the number of days absent. Work missed due to truancy will be recorded as zeros. IT IS THE STUDENT’S RESPONSIBILITY TO CONTACT THE TEACHER TO REQUEST ALL MAKE UP WORK.**

### **TRUANCY**

Truancy is defined as absence from school without parental verification and knowledge; or leaving school grounds without consent of parents and school administration. Truancy includes:

1. Any unexcused absence that is not verified by the parent.
2. If a student leaves school without following the proper procedures he/she may be deemed truant.
3. Habitually truant cases may be referred to the Fountain County Court. The student and parent will be asked to meet with the Dean of Students and probation officer to solve the truancy problem. If the problem continues the student may be subject to suspension pending expulsion for the remainder of the semester.

**Penalties for truancy shall be as follows:**

- 1<sup>st</sup> offense - 3-hour detention
- 2<sup>nd</sup> offense - 3 day In-School Detention.
- 3<sup>rd</sup> offense - 5 day Out of-school suspension and a potential referral to the Fountain County Truancy Mediation Board as needed.

### **TARDY POLICY (Per Semester)**

Tardies are of two types. 1. Tardy to school at the beginning of the day. 2. Tardy to class within the school day. A student is considered absent if he/she is 15 or more minutes late to a class. Upon the 4<sup>th</sup> **beginning of the day** tardy the student will be referred to the Dean of Students. 1st Referral - Tardy pass to class, one 1-hour detention. 2nd Referral- Tardy pass to class, one 3-hour detention, 3rd Referral - Tardy pass to class, plus one day ISS, plus parent conference. Additional tardies to school will result in additional disciplinary action.

Classroom tardies will be referred to the Dean of Students.

1. Upon the 3rd tardy - 1-hour detention
2. Upon the 4th tardy - 3-hour detention
3. Upon the 5th tardy - In-School Detention plus parent conference
4. Additional tardies will result in further disciplinary action
