RIGOR – RELEVANCE – RELATIONSHIPS

The safety and well-being of our students and staff is always our top priority. In coordination with the Indiana Department of Health and the Centers for Disease Control and Prevention, we are sharing information from the CDC to make you aware about the current situation regarding COVID – 19 (Coronavirus).

While we hope it will not be needed, Covington Community Schools does have procedures in place as part of the school's emergency operating plan and general safety plan to handle situations regarding the spread of illness. The school will also follow recommendations from the Indiana Department of Health and the Fountain Warren County Health Department.

To help prevent the spread of respiratory diseases, the CDC recommends the following actions:

- Frequently wash your hands for 20 seconds or more with soapy water. If
- Unavailable, use hand sanitizer.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

Thank -you,

Mrs. Kelli Pinkerton, RN

Covington Elementary School Nurse

Mrs. Marilyn Corey, LPN

Covington Middle/High School Nurse
