The FLSA requires overtime only if the employee works more than forty (40) hours during the defined seven-day work week. Vacation, Holiday time, and Paid Leave Days will not count towards the 40-hour week, as it relates to overtime calculations. Hours not worked and not paid, i.e. an unpaid lunch and unpaid leave, etc. do not count toward the forty-hour (40) total.

when their total time from all jobs worked exceeds forty hours during the defined work week. This is for employees earning an hourly rate.

Note: This does not apply when an employee works under an independent contract, such as a contracted bus driver.

An employee must have prior approval or direction from their respective supervisor and the Superintendent before working any overtime. The employer will maintain records of overtime worked and compensation for each employee.

CCSC is committed to providing a safe, healthy, and efficient working environment for all employees and those who do business with CCSC as well as protecting its reputation in the community. To help achieve this goal, employees are prohibited from:

- ◆ Consuming alcoholic beverages while on school premises, in school vehicles, or while on school business or; and
- ◆ Abusing inhalants or prescription drugs or possessing prescription drugs that have not been prescribed for the employee by a physician.

An employee who violates this policy is subject to corrective action up to and including termination of employment. Use of some drugs is detectable for several days. Detection of such drugs or the presence of alcohol will be considered being “under the influence.” Refusal to submit to a drug and/or alcohol screen is grounds for immediate termination or can be considered a “voluntary termination.” If an employee is discharged for violation of this policy, he/she will not be eligible for rehire.

Employees using prescription drugs according to a physician’s instructions or using over-the-

counter drugs for medicinal purposes are required to notify CCSC administration regularly in the event such drugs would impair their physical, mental, emotional, or other faculties.

CCSC's substance-abuse program includes several components to support its efforts to remain drug-free, including:

- ◆ Supervisory training;
- ◆ Employee awareness programs;
- ◆ Drug testing after accidents involving injury and/or property damage;
- ◆ Drug testing when a supervisor suspects that an employee is "under the influence" during working hours;
- ◆ Drug testing on a random basis; and
- ◆ An Employee Assistance Program (EAP).

All information relating to drug and/or alcohol screens is to be kept strictly confidential. The information will be kept in the employee's medical file, which will be maintained separately from the employee's personnel file. These medical files will be kept locked and secured and access will be limited to certain individuals in CCSC. Under no circumstances should the results of a drug and/or alcohol screen be discussed with individuals who do not have a work-related need to know.

Employees involved in an accident or contributing to an accident or injury causing more than \$1,000.00 in damage to property or that requires medical attention away from the premises will be screened to determine whether the employee tests positive for drugs and/or alcohol.

If a supervisor suspects that an individual is at work and under the influence of alcohol and/or drugs, the supervisor should notify CCSC superintendent to seek authorization to test the employee. The supervisor will be granted permission to test the employee if sufficient objective symptoms exist to indicate the employee may be under the influence of drugs and/or alcohol. If an employee recognizes a personal addiction or abuse problem and seeks assistance from CCSC in advance of detection, the organization will assist the employee in seeking treatment. The confidential nature of the employee's counseling and rehabilitation for drug and/or alcohol abuse will be preserved.

ETHICS AND CONFLICTS OF INTEREST

Employees are expected to use good judgment, adhere to high ethical standards, and avoid situations that create an actual or perceived conflict between their personal interests and those of the organization. CCSC needs to know that the transactions employees participate in are ethical and within the law, both in letter and in spirit.

CCSC recognizes that different governmental entities have different codes of ethics. However, just because a certain action may be acceptable by others outside of CCSC as "standard practice," that is by no means sufficient reason to assume that such practice is acceptable at our organization. There is no way to develop a comprehensive, detailed set of rules to cover every

business situation. The tenets in this policy outline some basic guidelines for ethical behavior at the CCSC. Whenever employees are in doubt, they should consult with their manager.

Conflicts of interest or unethical behavior may take many forms including but not limited to the acceptance of gifts from competitors, vendors, potential vendors, or customers of CCSC. Gifts may only be accepted if they have a nominal retail value and only on appropriate occasions (for example, a holiday gift). Employees are cautioned not to accept any form of remuneration or nonbusiness-related entertainment, nor may employees sell to third parties any information, products, or materials acquired from the organization. Employees may engage in outside business activities provided such activities do not adversely affect the organization or the employee's job performance and the employee does not work for a competitor, vendor, or customer. Employees are prohibited from engaging in financial participation, outside employment, or any other business undertaking that is competitive with or prejudicial to the best interests of the CCSC. Employees may not use proprietary and/or confidential information for personal gain or to the organization's detriment nor may they use assets or labor for personal use.

If an employee or someone with whom the employee has a close personal relationship has a financial or employment relationship with a competitor, vendor, potential vendor, or customer of CCSC, the employee must disclose this fact in writing to the CCSC Board. The organization will determine what course of action must be taken to resolve any conflict it believes may exist. If the conflict is severe enough, CCSC may be forced to ask the employee to tender his/her resignation. CCSC has sole discretion to determine whether such a conflict of interest exists.

OVERTIME

At no time shall a non-exempt employee work more than their regularly scheduled weekly hours, i.e. 40 hours per week or 29 hours per week without the prior written permission of the respective supervisor. Approval must be obtained from the Superintendent prior to an employee working more than scheduled weekly work hours per week. Building principals and supervisors shall monitor employees' work to ensure that the overtime provisions of this policy and the Fair Labor Standards Act is adhered to.

Employees shall be compensated for overtime worked, at a rate of one and a half times their normal pay for any hours worked over 40 in a workweek. Non-exempt employees whose workweek is less than 40 hours will be paid at the regular rate of pay for time worked up to 40 hours. Overtime pay will be provided only if an employee works more than 40 hours in a workweek.

TERMINATION

The employee and employer relationship is an "Employment At Will" relationship between the Covington Community School Corporation and the employee. Employment with the Covington Community School Corporation may be terminated by the Covington Community School Corporation, or the employee, at any time, without cause. Upon such termination, the

employer shall be obligated to pay the employee only for service/work performed prior to the date of termination and any deferred compensation owed the employee.

RESIGNATION

Employees resigning from CCSC must provide at least two (2) weeks notification prior to the separation of employment. Failure to provide two (2) weeks notification shall result in the immediate forfeiture of all corporation provided vacation and fringe benefits.

Employees may not utilize vacation and/or leave time (Sick/Personal) once their resignation is submitted.

RETIREMENT

Participation in the Public Employees Retirement Fund for all full-time employees is mandatory and the employee's contribution will be paid by the corporation. Covington Community School Corporation shall pay the 3% to the Public Employees Retirement Fund on behalf of the employee.

Beginning on the first pay following January 1, 2024 the corporation will provide up to a 1% match of an employee's salary, on a monthly basis, into the employee's 403b account.

HARASSMENT AND/OR DISCRIMINATION

CCSC strives to maintain a workplace that fosters mutual employee respect and promotes harmonious, productive working relationships. CCSC believes that discrimination, harassment, and/or retaliation in any form constitute misconduct that undermines the integrity of the employment relationship. Therefore, CCSC prohibits discrimination and/or harassment that is sexual, racial, or religious in nature or is related to anyone's gender, national origin, age, disability, or any other basis protected by federal, state, or local law. This policy applies to all employees throughout CCSC and to all individuals who may have contact with any employee of the CCSC. Furthermore, CCSC will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship, health, or safety concern.

Unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a harassing and/or discriminatory nature will constitute harassment and/or discrimination when the person involved feels compelled to submit to that misconduct in order to keep his/her position, to receive appropriate pay, or to benefit from certain employment decisions. If this type of misconduct interferes with an employee's work or creates an intimidating, hostile, or offensive work environment, it also may be considered harassment and/or discrimination. This behavior can include but is not limited to suggestive or insulting noises, facial expressions, vulgar language, nicknames, slurs, derogatory comments, cartoons, jokes, written materials, and offensive gestures or touching.

CCSC expects that everyone will act responsibly to establish a pleasant and friendly work environment. However, if an employee feels he/she has been subjected to any form of harassment and/or discrimination, the employee should report that conduct to the Superintendent unless the offender is the Superintendent. In which case, the Board President or Corporation Attorney should be contacted. Employees are not required to approach the person who is harassing and/or discriminating against them, and they may bypass any offending CCSC Official. The person the harassment or discrimination is reported to will take the necessary steps to initiate an investigation of the discrimination and/or harassment claim.

CCSC will conduct its investigation in as confidential a manner as possible. Interviews, allegations, statements, and identities will be kept confidential to the extent possible and allowed by law. However, CCSC will not allow the goal of confidentiality to be a deterrent to an effective investigation. A timely resolution of each complaint will be reached and communicated to the employee. Appropriate corrective action, up to and including termination, will be taken promptly against any employee engaging in discrimination and/or harassment. The corrective action issued will be proportional to the severity of the conduct. The alleged harasser's employment history and any similar complaints of prior unlawful discrimination and/or harassment will be taken into consideration.

CCSC prohibits retaliation of any kind against employees, who, in good faith, report harassment and/or discrimination or assist in investigating such complaints. If an employee feels he/she has been subjected to any form of retaliation, the employee should report that conduct to the CCSC Superintendent within three (3) days of the offense. Employees are not required to approach the person who is retaliating against them, and they may bypass any offending CCSC Official.

SOCIAL MEDIA USE

An employee's personal or private use of social media may have unintended consequences. While the school board respects the First Amendment rights of CCSC employees, those rights do not include permission to post inflammatory comments that could compromise the mission of the school corporation, undermine staff relationships, or cause a substantial disruption to the school environment. This warning includes online conduct by staff members off school property, including from the individuals' private computer. The use of social media should be done in a professional manner, with attention given to the respective staff member's professional responsibilities.

Social media includes such internet-based applications as Twitter, Instagram, Facebook, etc. Which work to create opportunities for interaction between users. CCSC instructional staff is authorized to access social media from the school corporations' network, provided such access has an educational purpose, for which the instructional staff member has the prior approval of the building principal.

Personal access and use of social media, blogs, or chat rooms from the corporation's network is expressly prohibited. Such use will subject the student and / or staff member to disciplinary action, up to and including possible termination.

The utilization of social media for the promotion of activities occurring in and around the corporation is approved by the school board. This promotion, as well as that of student and staff achievements, must be approved in advance by the school corporation superintendent.

CCSC will abide by all the provisions of the Uniformed Services Employment and Re-Employment Rights Act (USERRA) and will grant military leave to all eligible full-time and part-time employees. Military leave may be granted to full-time and part-time employees for a period of four years plus a one-year voluntary extension of active duty (five years total) if this is at the request and for the convenience of the United States government.

As with any leave of absence, employees must provide advance notice to their supervisor of their intent to take a military leave and must provide appropriate documentation unless giving such notice is impossible, unreasonable, or precluded by military necessity.

An employee's salary will not continue during a military leave unless required by law. However, employees may request to use any vacation or personal leave time accrued during military leave. Benefit coverage will continue for 31 days as long as employees pay their normal portion of the cost of benefits. For leaves lasting longer than 31 days, employees will be eligible to continue health benefits under COBRA and will be required to pay 102 percent of the total cost of their health benefits if they wish to continue benefits.

Upon return from military leave, employees will be reinstated with the same seniority, pay, status, and benefit rights that they would have had if they had worked continuously. Employees must apply for employment within 90 days of discharge from the military. Employees who fail to report for work within the prescribed time after completion of military service will be considered to have voluntarily terminated their employment.

If employees are reservists in any branch of the Armed Forces or members of the National Guard, they will be granted time off for military training. Such time off will not be considered vacation time. However, employees may elect to have their reserve duty period be considered as vacation time to the extent they have such time available.

INSURANCE

HEALTH INSURANCE

Covington Community School Corporation may provide a specific amount per year towards the cost of the annual premium, for employees working a minimum of 200 days per school year, of the health insurance plan available for eligible employees. The employee's share of the

monthly insurance premium must be in the district office before the first day of the respective month. The Board of School Trustees authorizes the amount to be contributed by the school corporation.

Eligible employees will be notified annually of the school corporation contribution amounts.

The school corporation's contribution toward the cost of health insurance will commence on the first of the month after the first day of employment. Conversely, coverage will cease at the end of the month in which the employee or the employer terminates employment, unless otherwise noted. Thereafter, the former employee may exercise his/her rights under the Consolidated Omnibus Reconciliation Act (COBRA) of 1985.

COBRA becomes effective if one of the following situations occur whenever an employee becomes disqualified for health coverage under the school corporation plan:

1. Employees eligible for health insurance may keep their health insurance for up to eighteen (18) months after they are laid off, moved to part-time status, or are terminated for a reason other than gross misconduct.
2. Dependent spouse and children may keep their health insurance coverage for up to 18 months if they lose coverage because of one of the reasons given above for former employees. If they lose their health insurance coverage because they cease to be qualified dependents of a former corporation employee because he/she dies, obtained Medicare entitlement, divorces or is part of a legal separation, or a dependent child ceases to be a dependent, then they may keep their coverage for up to 36 months beyond the date they cease to qualify. Either the former employee or the dependent must notify the school corporation within 30 days of the date a dependent qualifies in circumstances in which a worker does not qualify.
3. Those persons who are Medicare eligible or are covered as employees under another employer's plan are not entitled to further coverage.

DENTAL INSURANCE

The school corporation may provide a specific amount, for employees working a minimum of 200 days per school year, toward the cost of the annual premium for dental insurance. Individuals working 182 days may obtain dental insurance provided they cover all costs related to the coverage.

The Board of School Trustees authorizes the amount to be contributed by the school corporation.

Eligible employees will be notified annually of the school corporation contribution amounts.

LIFE INSURANCE

Following 30 Days of employment, all employees working a minimum of 20 hours per week are enrolled for Life Insurance (\$50,000) and Long-Term Disability. The school corporation will cover all but \$1.00 of the Life Insurance premium, per employee, and all but \$1.00 of the Long-Term Disability premium. The employee shall pay \$1.00 for the Life Insurance coverage and \$1.00 for the LTD coverage.

WORKERS COMPENSATION INSURANCE

The provision of the Worker's Compensation Insurance plan annually purchased by the school corporation covers all employees. Those employees who suffer a job-related injury or illness must report the injury or illness in the following manner within the indicated time period:

1. Immediately notify the supervisor of the injury or illness
 - a. If required, report for immediate care to the health provider determined by the school corporation.
 - b. If an employee is injured on the job and seeks treatment and/or long-term care at a facility other than the one designated by the school corporation, the employee may be responsible for the payment of medical claims and treatment.
2. Following notification of the immediate supervisor and obtaining treatment for the injury, the employee must notify the district office to complete the proper forms. This notification must be completed within two (2) working days from the time of the injury or illness. Failure to comply with this timeline may cause the claim not be paid by the insurance carrier.
3. An employee who must be absent from work due to a work-related injury or illness may choose to collect compensation from the worker's compensation insurance or from the use of accumulated sick leave with the school corporation. If compensation by use of sick leave is chosen, any payment sent to the employee by the worker's compensation insurance plan must be deposited with the school corporation. Under no circumstances may the compensation for any day of lost wages exceed the employee's normal daily rate.
